Open position at the international institute of management in technology (iimt), Chair of Management in Information and Communication Technology (ICT) at the Faculty of Economics and Social Sciences of the University of Fribourg:

Research Fellow (100%)

We are currently seeking a research fellow with sound scientific research experience and a desire to work at a cutting-edge transdisciplinary research project: The Smart Living Lab - an inter-institutional excellence centre for the built environment of the future.

Scope of Activity

- Participation in the iimt’s socio-technical and socio-economic research activities, with a focus on research within the Smart Living Lab in the following fields:
  - Digitalisation and Decentralisation,
  - Energy, Mobility and (Cyber-)Security,
  - Sustainability and Social Innovation,
  - Community and (Cyber-)Sovereignty,
  - Innovation in experimental environments (Living Labs, Urban Laboratories)
- Collaboration within the Smart Living Lab on research and outreach activities
- Active participation in the teaching activities of the Chair of Management in ICT
- Supervision of bachelor and master theses and the mentoring of doctoral students
- Supervision of and active participation in student innovation projects

Requirements

- Above-average university degree (doctorate)
- Excellent research experience and a track record of third-party funding acquisition
- You are well organised, communicative and team oriented and both able and willing to take on management tasks.
- You have full professional proficiency in both German and English; French skills are an advantage.

Specifics

- We provide a modern and dynamic work environment as part of a young, agile team.
- Being part of the Smart Living Lab means taking part in a highly diverse, international setting and working with top experts from other research disciplines
- Working in Fribourg, a traditional university town with a strong bilingual (French/German) culture provides an inspiring mix of the local and the international

Possible starting date: By appointment.

Deadline for applications: January 30th 2021

Please send your complete electronic application, including a CV, a motivation letter and at least one sample of your written academic outputs (articles, chapters) to Prof. Dr. Stephanie Teufel, iimt@unifr.ch or stephanie.teufel@unifr.ch
