

Monte Carlo Simulation

This course introduces participants to a powerful tool that enables decision-makers to address uncertainty explicitly overcoming the weaknesses of the more traditional scenario analysis approach.

Monte Carlo Simulation - 23rd - 24th June 2022

Using Monte Carlo Simulations for enhanced:

- Cost-based decision-making
- Cost Control
- Capital budgeting related decisions

Top speakers

- Prof. Dr. Michael Burkert, University of Fribourg

What our students said

- Excellent connection with participants
- I will use this approach in my job to overcome issues in decision-making
- Answers delivered with real life practical examples

Course location:	iimt - University of Fribourg
Course fee/ module:	CHF 1'400.--
Course language:	English
Registration:	www.iimt.ch or iimt@unifr.ch
